DEDICATION

To

Our Fathers and Mothers

As our high school careers come to a close, we naturally turn to those who have made our graduation possible—our parents . . . To them we are indebted for their love, encouragement and sacrifices which have brought us thus far on our road to life . . . Thus we, the Class of 1953, proudly—yet humbly dedicate our CARDINAL.

CLASS ADVISORS

We, the Class of 1953, wish to express our thanks to our faithful Class Advisors,

Mrs. Josephine Stodart

and

Mr. Carmine Pepe

for the wise counseling and unfailing help they have given us throughout our days in Senior High School.

To the Graduates of the Class of '53:

May I congratulate you, who are leaving our school to face life in whatever task you have chosen. I know that you will do your work with the same enthusiasm that you have used in your school life.

In America, we stake our faith in the democratic principles of living. This type of government can exist only if you live according to the principles that you learned in our public schools. If we have helped you as students to appreciate this great American heritage and pass it on to those who follow, our mission as a democratic institution has been attained. The torch of freedom must be carried by you in the future.

I certainly hope you have enjoyed your short stay with us as much as we have enjoyed working with you.

MARVIN O. WERLEY.

ALMA MATER

(TUNE: "An Old American Song")

Nestled in among the mountains,
In a vale we love,
Lies a pleasant little village
Which is named Pine Grove.

CHORUS:

Here we all have gained our knowledge,
In the school we love,
Now we hail our Alma Mater:
Hail! All hail Pine Grove.

She has taught us life's great lessons,
And has taught them well;
We're prepared to fight life's battles,
Then in peace to dwell.

If our lives have led us onward
To famed heights above,
Then can we, with pride, point backward
To our dear Pine Grove.

CLASS POEM

We, the Class of '53,
Proud and happy, as you see,
We, our place in the future take,
The world of tomorrow to create.

Working together side by side,
Hand in hand together we stride,
Though it be on land or sea,
We are the Class of '53.

Time will come and time will go,

CLASS SONG

(To the Tune "Auf Wiedersehn")

Our thanks to you who saw us through,
We love you all, 'tis true;
The Class of Nineteen Fifty-three
Their love to you imparts.
With kindly thoughts and grateful hearts,
We'll always think of you.
Good luck to you in all you do;
We wish our best for you.

Farewell to you—our Pine Grove High—
With tearful eyes we'll part;
Best wishes to each one of you,
May all your dreams come true.
Our God above, His light He'll show,
Direct the paths we'll go;
His will be done in all we do,
God bless you all, adieu.

—SHIRLEY DONMOYER.

CLASS HISTORY

Looking back over our years in Pine Grove High, we recall many fond memories of the events enjoyed together.

In our Freshman year our group was enlarged by students from surrounding townships. Together we formed a class of one hundred and six students. With these country students we attended dances, basketball games, and joined the activities of Tri-Hi-Y, Hi-Y, Glee Club, and other clubs.

Class organization came with our Sophomore year, as we elected advisors and class officers. Our Sophomore activities included our first dance, which was a hoedown, and two soup sales.

Our Junior year was exciting. In this year we picked our class rings, which we still cherish. With much anticipation, we awaited their arrival, which was to have been Christmas, but to the joy and delight of everyone, we received them on November 19th.

Junior activities included a hoedown, a Christmas dance, a card party, and our long-awaited Junior Prom, which after much debating was called "Hawaiian Cruise." Room 111 served as our ship which brought us to our romantic Hawaii, an island with its many palm trees, flower-bearing vines, and beautiful moonlit water. The Prom was a gala affair with interest centered around the crowning of the King and Queen, Richard Longsderff and Dolores Mendell. During the course of the evening we chanced off a television set.

In our Junior year, our class and the Class of '52 purchased a new electric scoreboard for the auditorium.

At last! The year of years! We were "Seniors"! During our Senior year we took an educational trip to Pottsville, visiting the Court House, newspaper buildings, Yuengling's ice cream plant, and the jail.

On November 11th, we presented our class play, "Our Miss Brooks," a comedy, under the direction of Miss Garman. I'm sure, not only the audience enjoyed the play, but the cast enjoyed putting it on as well.

We collected over $2,000 on the sale of magazines. The girls had the highest sales score, hence the boys were obliged to throw a party, which was enjoyed by all.

Other activities included a doughnut sale and a hoedown.

In the month of February, we held our last important dance, a valentine dance, at which the Senior girl who collected the most money for the heart fund was crowned "Queen of Hearts," and received many lovely awards.

Our final trip, one which had been anticipated since we entered high school, found us enroute to Washington on June 1, 2, 3. Upon our return, we took leave of our classmates and teachers.

Bravely, with high hopes, we regretfully depart from Pine Grove High School, knowing that we are now on our own and that our future depends upon the course we follow.

But always in our hearts will linger the many happy memories of our dear Pine Grove High.

—JOAN SNYDER and CALTHANNA BEHNEY.

CLASS PROPHECY

Studying a little astrology, as a sideline in our regular career as nurses, we have found that the stars will bring good fortune to the graduates of Pine Grove High School, Class of 1953, in the ensuing year of 1957. Our predictions are as follows:

Aries (March 21-April 20) will bring peace and prosperity to the following: Alma Aungst and Josephine Herring as WAVES; Dolores Wenrich, a beautician, and Jackson Peepe and Donald Reinhard, as college students.

Gemini (May 21-June 21) will bring good fortune and happiness to people: Joan Breisch, Myrl Walters, and Mary Alice Reed, as nurses; Richard Doran, serving in the Navy, and Richard Wertz, a construction engineer.

Cancer (June 22-July 25) will bring health and happiness to the following during their lives: Joanne Bonewitz Reed and Sara Kegerreis Underkoffler, housewives; Rita Fidler, Faye Herring, and Constance Thomas, as secretaries; Roy Ditzler and Merlin Spancake, serving in the Navy; Lucy Krammes as a private secretary; Richard Heinbach, a diesel engineer, and Robert Lyman, an electronics engineer.

Leo (July 24-August 22) will bring prosperity and contentment to these people in their chosen fields: Dixie Lee Harvey, a nurse; Shirley I. Sattizahn, in secretarial work; Robert Hopstetter, a civil engineer; Robert Dougherty, a Marine, and Fred Kerschner, in the field of mechanics.

Virgo (August 23-September 23) will bring joy and riches to the following: Jane Brommer, an elementary teacher; Anna Fetterhoff, a nurse; Shirley Shollenberger, a WAVE; Sarah Hesser, an airline hostess; Arlene Hughes, a secretary; Cyril Hubler, an engineer; Lamar Lehman, a machinist; Kenneth Reinhard, an Air Force pilot; Charles Wehry, a cabinet maker; Paul Zerbe, a diesel engineer, and Jean Henninger, a private secretary.

Libra (September 24-October 23) will bring adventure and fame to the following wherever they may go: Mary Boltz, in her work as a secretary; Barbara Krammes, a nurse, and Maria Schuller, working as a nurse in Austria.

Scorpio (October 24-November 22): Good health and joy will follow these people born under Scorpio: Lorraine Krause, Dorothy Ney, and Betty Ann Zimmerman, as secretaries; Nancy Miller and Ellen Morgan, factory foreladies; Raymond Morgan, a well-known agriculturist; Donald Zechman, a sailor; Robert Fritz, serving in the Army, and Stanley Fenstermacher, an industrial arts teacher.

Sagittarius (November 23-December 22) will guide these people in the ways of wisdom: Shirley A. Sattizahn, a secretary; William Kline, a hard-working pre-med student; Donald Aungst, a successful agriculturist, and Edward Smith, a pilot in the Air Force.

Capricorn (December 23-January 21) will successfully guide Lorraine Neal, an art teacher; Joan Snyder, as a secretary, and Allen Herring, as an agriculturist.

Aquarius (January 22-February 20): Prosperity and happiness are Aquarius' gifts to the following: Calthanna Behney, Shirley Heitz, and Anis Laura Jenkins, secretaries; Janet Beuchler and Nancy Machamer, nurses, and Marlin Wenrich, a carpenter.

Pisces (February 21-March 20) will shine brightly to guide the following upward to reach their goals: Sandra Clements, as an elementary teacher; Shirley Cook, a beautician; Anna Gilbert, as a nurse, and Joseph Koslosky, a mechanic.

This is a class prophecy according to the stars. May it become a reality as the members of the Class of 1953 go forward to successful and happy lives.

"OUR MISS BROOKS"

The Senior Class Play, "Our Miss Brooks," was a comedy vividly portraying everyday happenings in a school just like our own. "Our Miss Brooks" had as its main character an English teacher who became involved in many troubles with the school board president, the school's principal, other members of the faculty, and even the cast while directing the annual class play.

Although the play was enjoyed by all who saw it (we hope), the real fun took place behind the scenes during rehearsals. This successful class play was an honor to the Senior class, to all who participated, as well as to Miss Garman, directress of "Our Miss Brooks," to whom we express our deepest appreciation.

EDUCATION WEEK

COMMITTEE — MR. MARVIN WERLEY, MRS. JOSEPHINE STODART, MRS. RUTH CHRIST.

Education Week was observed at the Pine Grove Area Joint High School with the innovation of Career Day. The committee in charge invited representatives from surrounding colleges and nursing schools to participate in the program. Students of the High School entered into the program and gained a great deal of valuable information. Students were unanimous in their request to make this an annual event.

Another highlight of Education Week was an all-student assembly program explaining the "History of Pine Grove Schools, Past, Present, and Future." Felt boards were used to illustrate the material presented. This was received with a great deal of enthusiasm and interest.

The committee in charge of Education Week activities was Mr. Marvin O. Werley, supervising principal; Mrs. Josephine K. Stodart, teacher of Latin and school librarian, and Mrs. Bruce L. Christ, teacher of social studies.

STUDENTS — **FIRST ROW:** SALLY WILLIAMS, FAYE HINDMAN, ROSALIE WERLEY.

The birthday of George Washington was commemorated at Pine Grove Area Joint High School with an appropriate assembly program, reviving the memories of the historical-minded by a return to the days of Louis XIV and George and Martha Washington.

The pageant, entitled "A History of the Minuet," was beautifully portrayed by groups of students wearing the costumes of the eighteenth century.

The first scene portrayed a ball at the court of Louis XIV where the Minuet was danced for the first time. The second scene showed an afternoon and evening of festivities in the home of George and Martha Washington, where the Minuet was danced on all state occasions.

A prologue, giving a brief history of the origin of the Minuet, opened the pageant. The first scene depicted courtiers and their ladies making merry and finally dancing the Minuet. The play then left the Old World and portrayed servants and master preparing for a ball at the home of George Washington. Dancing by the children was one of the features of the next scene. The climax to the activities of a busy day was a ball held in honor of the master of the house. In a beautiful setting, brilliantly lighted, members of the Senior Class joined in an excellent characterization of the Minuet. All of the participants were members of the Class of 1953 with the exception of the children taking part.

The production was under the able direction of Mrs. Bruce Christ, teacher of social studies. The dances were directed by Mrs. Lee Raybuck and Mrs. Arthur Kline. Stage arrangements and decorations were under the supervision of Mr. Paul Bowen and Mr. John Musselman. Rosalie Werley presided at the piano. The program was enjoyed by the assembly with a spontaneous applause expressing their approval. It has been decided to make this an annual event.

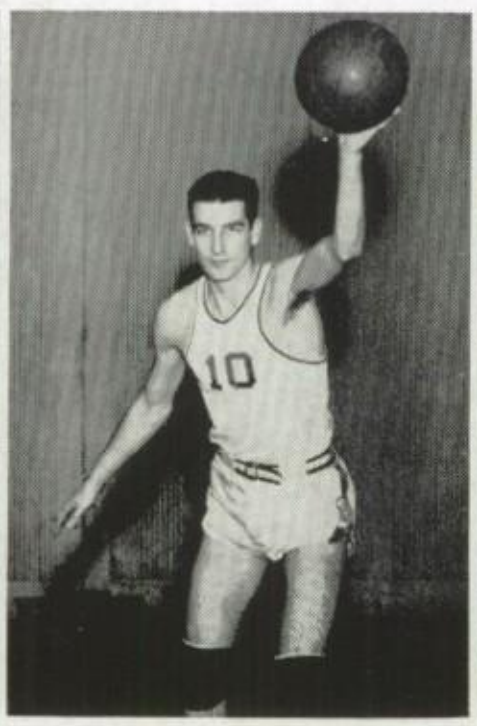
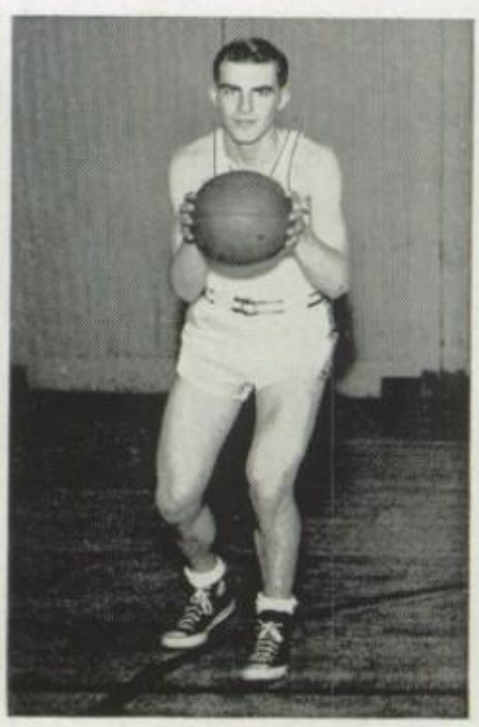
JACKSON PEEPE



DONALD REINHARD

RICHARD DORAN



RICHARD HEINBACH

JACKSON PEEPE One of the most outstanding basketball players to play in a great basketball school, Jack, in his four years of high school, was chosen on the All-South Schuylkill League Team for four consecutive years. As a junior he made the Associated Press All-State second team, and the United Press All-State first team. This year he again is high in the running for all-state honors. Locally, Jack has broken all existing records, except for the individual one-game high. His 1952 total of 590 points is tops, as well as his four-year total, 1,746.

DONALD REINHARD Donald is the second part of the Grovers' now famous "one-two scoring punch." Donnie has developed into the most outstanding pivot man ever to play for Pine Grove. He too has quite a list of honors,including two years on the All-South Schuylkill League Team as well as second team All-State honors in 1952. His scoring for the last four campaigns would also have broken all prior existing records as he rolled up 1,387 points with 431 in his 1952 performance.

RICHARD DORAN One of the main reasons for a steady procession of field goals this past year was the fine back court work of Dick. Converted from a high-scoring forward, who in 1952 netted 211 points, to the play-maker of 1953, Dick set up many a scoring opportunity. While not sensational in his scoring, his steady work under the Grovers' defensive boards made him one of the outstanding players on a great team.

RICHARD HEINBACH The story of a real-life hero is this one of Dick's. Forgotten by many Grover fans because of the brilliance of other members of the team, Dick came into his own in the district playoffs when he sparked the club to a resounding 68-50 victory over Nesquehoning for the championship. We wish Dick were back next year.
